

# A Hidden Gem.

This is a beautiful brand new hall in our tranquil church grounds. It is a fabulous place to host events of many types.

Come and experience the unique trestop view from our picture windows.

We have a well equipped kitchen and access to a smart outside terrace ideal for photographs.

There is ample parking nearby, both on the church drive, and in the forest carpark just up the road.

We can easily accommodate 60 people seated at tables for a function or 75 people standing. Our luxurious underfloor heating is a particular bonus for groups such as fitness or exercise classes.

Our hall is particularly well suited to meetings, children's parties, and social functions.

Please check our calendar on the website for availability.
